Sourcing, Supply & Solutions

What's in a name?

Everything! We know you probably feel as if you are working like a dog, walking around in a daze. That's why here at Dog Daze Industrial, we've got your back!

In a world where good service can be so hard to find, we make it our mission to put our customers first, and to treat our customers the way we want to be treated! At Dog Daze Industrial, we understand service is the name of the game!

How can we help you?

Dog Daze Industrial is a Sourcing, Supply, & Solutions company! While that may sound confusing, it really is quite simple.

Sourcing

Dog Daze Industrial offers global and domestic sourcing services for standard and custom-made products. By learning about your company – the obstacles you face, the goals you are trying to attain, and any other requirements, we work with you, and your

team, to develop a strategy to help you save time, money, and frustration. At Dog Daze Industrial, we can help identify cost savings, improve delivery times, ensure quality, and help put out those fires before they ever ignite!

We have helped customers with standard products as well as made-to-print specials such as:

Machined Parts
Fabricated Assemblies
Stampings
Forgings
Castings
Molded Rubber and Plastic Parts

Extrusions
Cold Formed Parts
Wire Forms/Springs
Powder Metal/Metal Injection Molded Parts
Formed Products
Much More!

Many other products, sizes, and styles are available.
Please send us your requirements, & we'll "fetch" you a quote!

Supply

We then develop a program to supply the products in a manner that will allow you to achieve large quantity pricing discounts, while receiving, and paying for only what you need throughout the year. These Vendor Managed Inventory programs are designed to make sure your products are there when you need them.

We also offer a supply of standard products which may be used within your manufacturing process, or to repair/maintain equipment within your facility. These items include:

Fasteners/Hardware
Fittings/Valves/Fluid Power
Cutting Tools/Abrasives
Safety Products/Apparel
Standard & Specialty Tapes
Adhesives/Sealants/Epoxies
Lifting/Rigging Products

Wire & Cable
Electrical Products
Knobs/Handles/Levelers
Engineered Components
Fabricated Assemblies
Welding Consumables/Alloys
Signs/Tags/Labels

Fixturing Components
Clamping/Work Holding Products
Shop Supplies
Janitorial/Facility Supplies
Construction Products
Kits/Assortments
So Much More!

Solutions

Whether you are looking to save money, or make improvements in delivery or product quality, Dog Daze Industrial helps find the solution. Plus, we have several years' experience in various applications, and can offer suggestions on streamlining projects, reducing hardware, saving time, making the correct product selections, and more!

Again, it's all about service, accountability, and developing lasting partnerships. Send us your requirements & we'll "fetch" you a quote!
